This year's State Charity is...

FAMILY *reach* FOUNDATION

Join us in our mission of hope, care, and compassion. Families fighting cancer will be forever grateful for your kindness.

Our Mission...

Our mission is to provide financial relief and heartfelt support to families fighting pediatric cancers and other life-threatening diseases. While the majority of our efforts are dedicated to families fighting *solid-tumor, pediatric-type* cancers, we extend support to families with similar medical situations and urgent, unfulfilled needs. **The focus of our current efforts is to raise funds to help eligible families pay for a variety of significant expenses that mount during the patient's treatment, including:**

- Everyday home bills that accumulate due to lost wages of parents (e.g., mortgage, utilities, insurance, etc.)
- Transportation to care centers and lodging for family members
- Child care
- Palliative care

“Cancer strikes families of all backgrounds and financial means. With your generosity and kindness, we help them weather the storm.”

So what's our goal?

Family Reach exists to help families get through this unimaginable storm.

Top 10 Projects...

This award recognizes student councils for their outstanding projects and events conducted in their schools.

Each year at the January Convention, ten member schools are recognized for outstanding projects and/or activities that they conduct in their schools. Nominees for these "Top Ten Project" awards are carefully reviewed by the NJASC Treasurer and then decided on by the entire Executive Board...

This years winners:

- Belvidere High School - "Charity Change Stall Day"
- Cherokee High School - "Volleyball Charity Tournament"
- Columbia High School - "CHS In Action Night"
- John P. Stevens High School - "Sidewalks Stop Sickness"
- Monsignor Donovan High School - "The Freshman Buddy System"
- Oakcrest High School - "1st Annual Field Day"

The Idea Wall

Be vocal about the fundraising ideas your school has! By talking about your school's events and ideas, other delegates may be able to take some ideas back to their schools.

How do you do this?: In ROOM 211, the Idea Wall was created with this purpose in mind. Take the time to discuss fundraising ideas, and much more to bring to your own school.

These ideas can help your school raise money for this years state charity: Family Reach Foundation. Help us reach out goal, and help so many families across NJ in need!
