

THE LTC LEDGER

JULY 18, 2009

So... what did *you* think of the LTC experience?

"when we got here, we knew nothing about LTC. We expected a serious environment but it was the complete opposite. It was fun, entertaining, and exciting. Everyone was so welcoming and extremely accepting... a major highlight of my summer!"

Alexis Mattei from Belvidere H.S.

and

Kaitlyn Olson from Southern Regional H.S.

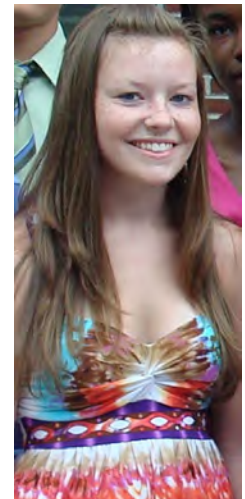

"I loved how LTC incorporated leadership skills, fun activities, and friendship into the conference. I will take away so much appreciation for everyone here and the teamwork that they constantly create."

-Maureen Howard
from Holy Cross
H.S.

"LTC was a lot of fun. I'm glad I was given the opportunity to come and bring my new leadership skills back to my high school. I've met so many new people and the staff were always hilarious."

-Stephanie Mallon from High Point Regional H.S.

"LTC exceeded my expectations. I did not expect I would learn and have fun at the same time. The staff is always friendly and fun. I met so many new friends."

-Marielle Avallone from Somerville H.S.

Take LTC home...

Now that you've experienced LTC, take it home to your school! The NJASC would like to encourage all of you to become more involved in its programs.
