Want NJASC clothing?

Drinks?

Snacks?

We as Leaders who have D.R.I.V.E. know that sometimes we need to take a quick pit stop to reenergize our skills. For a quick boost come over to the **PIT STOP STORE!!!**

--Snacks and drinks are in ROOM 212
-NJASC apparel are near TOWNHOUSES EAST
They are a great way to remember your LTC experience by!

STATE CHARITY

Join us in our quest to provide children with a smile that will last for a life time. The families and kids fighting cancer will forever feel the warmth of the magic.

Our Mission:

To spread hope and inspiration to children battling cancer through the power of magic. We achieve this by:

- Creating live magic shows for children battling cancer for cancer hospitals, camps and foundations.
- Distributing our magic DVD that teaches simple magic for patients while they are receiving their cancer treatments
- Funding services for the oncology survivorship program at Children's Hospital of Philadelphia.

“With each performance we hope to add the abracadabra to their life.”

So What's our Goal?

“Spread the Magic is here to share a little abracadabra to all of the kids of NJ.”

Top 10 Projects...

This awesome awards shine the light on student councils with great event and projects that they conduct in their schools

Every year at the January convention, ten member schools with outstanding projects and/or activities that they conduct in their schools. Nominees for these "Top 10 Projects" awards are carefully reviewed by the NJASC Treasurer and then decided upon by the entire State Board.

This Years Winners

- * Parsippany Hills High School -"Halloween at the Hills"
- * Phillipsburg High School -"Haunted High School"
- * Sayreville Memorial High School -"Say No to Drugs"
- * Union High School - "Spirit Week"

The Idea Wall

Located outside Angilly, the idea wall was created for leaders to share different activities, programs, and different awards from all across NJ to bring back to their schools.

Don't be shy about sharing the awesome things your school does! By talking about different ideas, events, and fundraising techniques you could help other delegates bring something NEW to their school.

These ideas can help other schools across NJ raise money for this year's state charity SPREAD THE MAGIC FOUNDATION. Help us reach our goals and spread a little abracadabra to the youth of NJ.

Pictures Day Two of LTC...

Don't forget its ALL on the website!!!
