SO...how was your LTC experience?

July 21, 2010

Session 2 Issue 3

LTC was an amazing opportunity to explore new horizons in leadership within each of our schools. Meeting new students from around the state provided a moment to collaborate with others to discover and exchange ideas of ways to uplift our school fundraisers as well as school spirit.

Celsea Tibbitt
Franklin High School

LTC was so much fun my second time around! Meeting new friends and learning new things was all just part of the greatest and longest running leadership program. (know as LTC!)

Ingird Firmin
Warren Hills Regional High School

LTC was an awesome trip. There are a lot of memories I can now share. This was real life time opportunity. The staff is always happy and fun. I hope to be back!

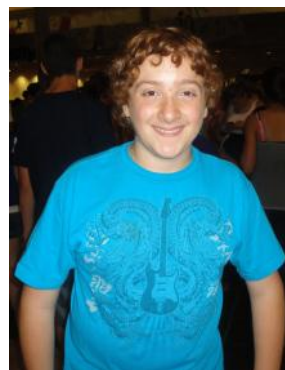

Dustin Cheung
Warren Hills Middle School

When I first came to LTC everyone was quiet reserved and polite. After day 2 and 3 people finally came out of their shells!

Now were more like a family and share all of our experiences. I wouldn't trade these days for the world! I LOVE LTC!

Amanda Schreiner
Williamstown High School

LTC was the best camp I have ever been to. Everyone is filled with positive energy. I had a great time being part of the at energy and laughter. I would definitely come back.
