2013-2014 State Charity

In 2000 John Elliott, a Graduate of the Naval Academy, was struck and killed by a drunken driver on his way home for his mother's birthday. The driver had been arrested on DUI charges and released only to get back in the car drunk, killing himself and John. The HERO Campaign for Designated Drivers®, seeks to end drunk driving tragedies nationwide by promoting the use of safe and sober designated drivers. Our goal is simple: to register one million designated drivers and make having a designated driver become as automatic as wearing a seatbelt.

Day 2 in pictures...
