After having attended LTC you are one step closer to becoming a STRONGer leader in your school and community. Going to classes and workshops has broadened your capabilities and the lessons you learned will not only better yourself, but help you take the right steps to becoming the best you can be. Everything you have experienced during this 4-day period will travel with you in all the new endeavors that lie ahead. We hope you enjoyed your time at LTC and that you encourage others to become better leaders like you've become...after all we are **Students That Represent Our Next Generation!!**

**Stay in touch!! Visit [www.njasc.org](http://www.njasc.org) for upcoming events and feel free to email the directors or state officers about your time at LTC!**

*Thank you to our new  
friends at Oxford  
International School!*

## What have you gained from LTC?

“I learned a lot of leadership skills, now I can take them back to my school. I learned how to communicate better and a lot about my leadership style.”

–Katie, Parsippany Hills High School

“I learned a lot about public speaking and made a lot of new friends!”

–Frankie, Branchburg Central Middle School

“The different type of classes; I learned a lot that I didn’t know and made so many new friends!”

–Megan, Bridgewater-Raritan Middle School

## What was your favorite part of LTC?

“The LTC games were our favorite part because we got to work together as a team and embrace our competitive spirit.”

–Reed, Northern Burlington High School  
–Ardenn, Somerville High School

“The skits and games. It got us closer, brought us together, and was a lot of fun!”

–Mari Fer, Oxford International School

“It was a fun time, a good experience, and I met a lot of people!”

–Adam, Mount Olive High School
