After having attended LTC you are one step closer to becoming a STRONGer leader in your school and community. Going to classes and workshops has broadened your capabilities and the lessons you learned will not only better yourself, but help you take the right steps to becoming the best you can be. Everything you have experienced during this 4-day period will travel with you in all the new endeavors that lie ahead. We hope you enjoyed your time at LTC and that you encourage others to become better leaders like you've become...after all we are **Students That Represent Our Next Generation!!**

Stay in touch!! Visit www.njasc.org for upcoming events and feel free to email the directors or state officers about your time at LTC!

What have you gained from LTC?

“I have gained more communication skills and it helped me open up and meet new people.”
-Juliana, Rutherford High School

“I learned how to speak better and use my words well.” –Nyire, GCIT

“The classes taught me a lot, like speaking with ease. It will come in handy when having to talk in front of people for student council and presentations.” –Sarah, Stewartsville Middle School

What was your favorite part of LTC?

“The skit night was my favorite because it was funny and entertaining. It was a way to express myself on stage.” –Brent, Hillsborough High School

“The games because they were fun and I really liked the competition.” –Nick, Monroe Township Middle School

“Song night because it was funny watching the JCs and it was a time to be yourself and for being able to do what you want.” –Joe, Collingswood Middle School

“My favorite part of LTC was meeting new people because I got to make a lot of new friends.” –Samantha, Summit High School
