2014 - 2015 STATE CHARITY

In January of 2010, 22 year old Christine Gianacaci of Hopewell Township, New Jersey, and several of her classmates from Lynn University, traveled to Haiti on a mission of hope; to help children and to feed the poor. When a massive earthquake struck on January 12th, the Hotel Montana in Port-Au-Prince collapsed and Christine, along with 3 other students and two professors, were killed. Christine's Hope for Kids seeks to continue Christine's spirit and loving qualities; to help less fortunate children and to support local community agencies that work with and benefit children.
