A big thank you to all of the delegates for attending the 59th annual Leadership Training Conference! We hope you had a wonderful time, made awesome new friends, and made memories to last a lifetime. Going to classes and workshops has broadened your capabilities and the lessons you learned will not only better yourself, but help you in taking the right steps to becoming the best you can be. With all of your hard work the past four days you truly showed how much Jersey truly S.H.I.N.E.S.! We ask that you use all that you have learned to encourage and help others experience the finding of their inner leader like you have done already...After all we are Student Helping Initiate New Experiences Statewide!!
