2015-2016 State Charity

Hope Loves Company is the only non-profit organization in the U.S. dedicated to the children of Amyotrophic Lateral Sclerosis (ALS) patients. Most funding for ALS goes to research and patient care — and that is important, but what about the children? It is

estimated that 85% of ALS patients have children, so those children will witness a parent struggling with terminal illness. The mission of Hope Loves Company is to provide emotional and educational support to children and young adults who have family members battling ALS.

NJASC welcomes Hope Loves Company as our 2015-2016 State Charity; we now look forward to working with them throughout the year!
